

Board Election – Candidate Statement

In order to assist NAGAP members in casting educated and informed votes, and to lend some consistency across candidates' statements, the Leadership Cultivation & Elections Committee is asking that candidates address a common set of topics in their statements. The topics below are intended to assist the membership in understanding your past experience in the association as well as your vision and priorities for the role, should you be elected.

Specifically, we ask that you please be sure to address the following in your statement:

- Describe your NAGAP-related experience/involvement.
- What are your top three priorities for the future of NAGAP?
- How might you contribute to leading the association in the direction of these priorities?
- Share a meaningful or memorable experience you've had with NAGAP - in a committee, on a project, or in a networking moment.
