

Flash Feedback Results: Alumni Engagement

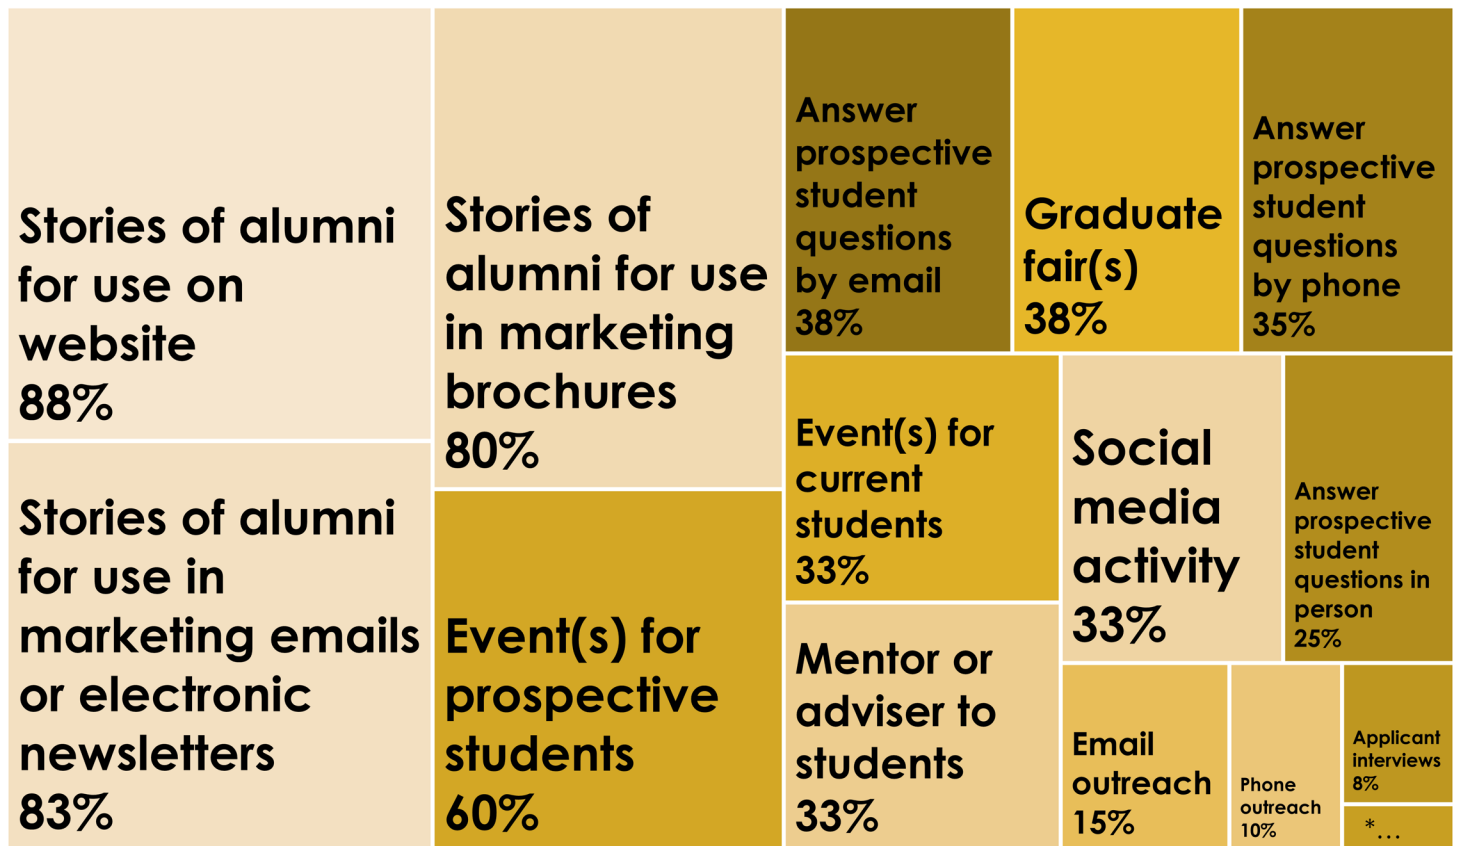

Does your office or program use alumni for recruitment and/or retention activities?

n=56

If you use alumni for recruitment or retention, what activities do you involve them in?

(select all that apply)

* Application review process 3%

Other (write-in response):

- Seminar Speakers for the first year cohort of students.
- Engagement in Career Services - professional skills development, career recruitment.
- Webinars, our alum mentor and advise prospective students without being asked. It is the nature of the profession.
